

Post:	Teacher of Mathematics
Location:	WMG Academy for Young Engineers Solihull
Salary:	Main pay scale/Upper pay scale
Contract type:	Full-time
Contract term:	Permanent
Closing date:	Wednesday 18th April 2018 at 9.00am
Interview date:	Week commencing 23rd April 2018
Start Date:	September 2018

The WMG Academy Trust Board seek to appoint motivated, dedicated and aspirational teacher in the area of Maths.

Energetic? Innovative? Passionate? Work with us and our partners (University of Warwick, Jaguar Land Rover, National Grid and many more) to deliver a skills-based curriculum in a high achieving environment.

The WMG Academy for Young Engineers opened its first academy in Coventry (Ofsted rated, Good – April 2017) on Monday 8th September 2014 for up to 640 students aged 14 - 19. The second academy in North Solihull opened in September 2016 for two year groups, 10 and 12, and doubled in size in September 2017.

We welcome applications from Maths teachers who love their subject, are passionate about education and through a flexible, 'problem solving' approach want to deliver outstanding outcomes for all learners.

The Mathematics Department at the WMG Academy is a forward thinking, enthusiastic, supportive and ambitious department comprising of specialist Mathematicians, Physicists and Computer Scientists. As you would expect, all our classrooms are fully resourced with a selection on new PCs, AV equipment and projectors. Mathematics is taught at GCSE level, A Level and within some units of the Post 16 Engineering qualifications.

You will be a key member of the WMG Academy Solihull team, delivering outstanding teaching across KS4 and KS5. You will have experience of working in a school or college setting as well as a good understanding of the needs of 14-19 year old students.

The key academic sponsor of the Academy is the University of Warwick. The Solihull Academy is located adjacent to Chelmsley Wood Shopping Centre in North Solihull and boasts over £2 million of specialist equipment and ICT. Our relationship with a broad range of local, national and international business partners will allow the successful candidate to link his/her teaching to an applied, employment-led educational environment.
