We are looking for an enthusiastic and flexible person to join our teaching and learning team. The successful candidate will provide assistance for students who require support with the understanding and application of GCSE mathematics. They will also be involved with developing, planning, delivering effective and high quality learning support for students that are studying GCSE maths in accordance with the WMG Academy curriculum. They will be responsible for the progress and achievement of a group of students through working with them as a learning coach. This position would be an ideal springboard for a candidate thinking of becoming a teacher in the future.
