We are looking for an enthusiastic and flexible person to join our learning support team. The successful candidate will provide assistance for students with additional educational needs who require support in their classes across the curriculum. This role will definitely involve a very 'hands-on' approach to whole group teaching and consequently we are looking to employ somebody who thrives in a student-facing, forward-thinking environment.

Experience in supporting students in STEM subjects would be an advantage, although not necessary as training will be provided in this area. Further information about WMG Academy, Solihull can be found on our website [solihull.wmgacademy.org.uk](http://solihull.wmgacademy.org.uk)
