Part A: Pupil premium strategy plan

Statement of intent

Our priority is to narrow the attainment gap between our Pupil Premium eligible students and their peers by removing any potential barriers to learning. These include issues with achievement and attainment, lack of engagement in lessons or in enrichment activities, attendance and punctuality. Furthermore, we aim to remove some of the external barriers and create additional opportunities to have more parental engagement, raise aspirations, develop more positive peer relationships and give the student access to funding for additional resources.

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Achievement and attainment
2	Attendance and Punctuality
3	Behaviour and wellbeing
4	Parental engagement
5	Culture capital and aspirations

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
Minimum of 95% for all students	Attendance in line with the local or national average.
Punctuality	Late marks recorded to be less than 5%
Persistent absences in line with national average	Persistence absence is reduced and in line with the national/local average. National average for persistent absence for PP students is 23.8% (Last available figures from Term 1 2019-2020)

All students on/above target in Year 10 and 11 in Eng/Maths/Science. To narrow the gap between PP and non PP in attainment	Year 10 and 11 PP students making progress in line with their targets Academy Target (GL) for Year 11 PP students is E&M 9-5% 49.4 % E&M 9-4% - 69.3%
Improve quality of teaching and learning	Consistently Good /outstanding teaching recorded from learning walks/observations
Development of middle leaders to track, monitor and support student attainment	Strong middle leadership team who stretch and challenge their departments.
Reading age in line with chronological age at KS4 (use of Lexonik programme)	Improved reading ages Students feel confident enough to read in class Better results in English Language
Students undertake independent learning	Students are independent learners and take responsibility for their learning. Improved outcomes and engagement in lessons.
Number of exclusion and isolations reduced	Exclusions remain low but particularly repeat exclusions.
Behaviour management training for staff	Reduction of negative behaviour points in lessons Positive student voice feedback
Reduction in behaviour points	Improved engagement in lessons and an increase in positive behaviour points. Improved outcomes for students SEMH needs addressed of vulnerable students
Alternative provision	Quality AP/ work experience for students not accessing the KS4 curriculum
Attendance to all parent's evenings	Improved attendance to parents evening (80% and above)
Parents engaged with their child's learning	Improved attendance to parents evening (80%- plus) More independent learning at home indicated by a reduction in HL codes on half termly reports at KAs.
Pupil Post 16 progression and strong careers information, advice and guidance.	NEET figures improved
Extra workshops and trips for PP pupils.	PP students achieve higher grades. More PP students apply to college/STEM subjects
Pupil Voice	Positive feedback from all PP students.

	PP students represented within the academy.
Enrichment opportunities for PP students	More STEM focussed Enrichment for PP students

Part B: Review of outcomes in the previous academic year

Pupil premium strategy outcomes

This details the impact that our pupil premium activity had on pupils in the 2021 to 2022 academic year.

-Attendance and punctuality-Percentage attendance for PP students has been more difficult to track this year due to covid related absences. National attendance figures have also fallen in the year 2021-2022. Where individual issues have been identified with attendance, pastoral leaders have intervened with strategies to support these areas.

-Attainment – On average PP students made better progress with regards to attainment 8 Predicted grades from starting points.

Aspirations – 97% positive destinations (40% at WMG Sixth form, 7% apprenticeships and 37% Further Education College). Student Voice showed that 96% of the pupil premium students felt more confident about their future and the world of work at the end of year

Evaluation

Early intervention for attendance is essential.

Development of the role of the tutor and 1-1 mentor in supporting pupil premium students is particularly vital

Parental involvement needs to be developed and sustained throughout the year. This may be subject specific and or/ student specific.

Additional support in English to support students with low literacy skills to include Lexonik programme.

More exam preparation for students and parents and earlier, beginning in Year 10

Externally provided programmes

Please include the names of any non-DfE programmes that you purchased in the previous academic year. This will help the Department for Education identify which ones are popular in England
