

## WMG INTENT

### RSHE Curriculum Intent

The RSHE curriculum at WMG Academy aims to prepare pupils to be successful in their adult life. It provides knowledge that will enable pupils to make informed decisions about their wellbeing, health and relationships and to build their self-efficacy. Relationships, Sex and Health Education is a subject through which pupils develop the knowledge, skills and attributes they need to manage their lives, now and in the future. The skills and attributes developed in the sessions help pupils stay healthy, safe and prepare them for life and work.

Today's young people are growing up in an increasingly complex world and living their lives seamlessly on and offline. This presents many positive and exciting opportunities, but also challenges and risks. The curriculum aims to provide students with the skills and knowledge on how to be safe and healthy, and how to manage their academic, personal and social lives in a positive way.

The Programme of study sets out learning opportunities for pupils based on the three Core Themes:

Core Theme 1: Health and Wellbeing

Core Theme 2: Relationships

Core Theme 3: Living in the Wider World

### School Curriculum Intent

At WMG academy our curriculum intent is to provide a STEM focussed curriculum that prepares pupils for the world of work, we are business led; as such we provide a rigorous, expertly sequenced curriculum with engineering at the heart. Alongside the curriculum we have a nurturing pastoral support team providing enrichment and guidance, thoroughly preparing students to be career ready.

### School Mission

WMG Academy aims to send students into the world with a professional attitude, an understanding of business and a mature approach to work.

Our 'business-like, business-led' ethos gives students a head start. Employers pay for apprentices to study and work, with many commanding generous starting salaries in secure industries.
