

Teacher of Business Studies

About us

WMG Academy Solihull is a thriving 'business like, business led' educational establishment for aspiring young Engineers in Key stage 4 and 5, emphasising Science, Technology, Engineering and Maths, offering GCSE's including core subjects and A Levels, Technical qualifications or both. The career-based education on offer engages students, helping them find their niche, reach their potential and kickstart a career in the real world.

From the business dress to the structure of days, as well as opportunities to work with companies on real-life projects, parents see their child's confidence grow and their employment potential soar.

Who we're looking for

A skilled and passionate individual to perform all the professional duties of a teacher, you will be an outstanding classroom practitioner who consistently delivers the highest standards of teaching; embraces our vision and integrated curriculum; and ensures that students achieve the highest outcomes in Business and IT.

Teaching and Learning

- To ensure a high-quality learning experience for students that engages and excites them
- To promote the highest standards of teaching and learning, share best practice with other curriculum areas and develop the Academy model for outstanding learning
- To be committed to continue improvement in teaching practice to ensure students achieve outstanding outcomes
- To set high expectations of students' behaviour through good classroom discipline, adherence to Academy policy, focused teaching and productive relationships
- To demonstrate outstanding teaching across the full ability range from Years 10 to 13, delivering GCSE Business and Level 3 BTEC in Business.
- To provide a variety of learning materials and resources for use in educational activities and to identify and select different resources and methods to meet students' varying needs
- To establish a purposeful and safe learning environment conducive to learning
- To ensure learning is relevant for all students according to their educational needs
- To maintain and develop an excellent knowledge and understanding of the subject area and related pedagogy, including the contribution that computer science can make to cross-curricular learning
- To make effective use of an appropriate range of observation, assessment, monitoring and recording strategies
- To develop schemes of work and lesson plans in conjunction with your Line Manager and with other departments as relevant
- To ensure that learning objectives are shared with students and are achieved during sessions;
- To design opportunities for students to develop their literacy, numeracy, ICT and thinking and learning skills appropriate within their phase and context
- To set appropriate work for classes when absent
- To ensure that schemes of work, including lesson plans, are in place that will enable access to the highest grades by all students
- To keep up to date with developments in the curriculum area, teaching methods and

- resources and make relevant changes to schemes of work and lesson plans as appropriate
- To hold positive values and attitudes and adopt high standards of behaviour in your professional role

You will have:

Honours degree or equivalent in relevant subject Evidence of continuous professional development.

Experience and working knowledge of Business in the National Curriculum. (Possibly the ability to teach another subject)

The ability to maintain positive relationships with pupils, parents and staff.

An ability to inspire students in Year10 to Year13.

What we can do

Professional development is key to our ongoing success, so we continually invest in our employees through our learning and development opportunities, mentoring and progression opportunities across academies and engaging with our team of leading education experts.

We can also offer you a range of benefits, including competitive salaries, hybrid working where this is appropriate, flexible working, pension scheme and generous holiday entitlements.

Please review the job description and person specification for further information about the role.
