The WMG Academy Trust Board is seeking to appoint an enthusiastic and able individual to join our Solihull Academy. The successful applicant will be professional, adaptable and dedicated to delivering high quality engineering support. Applications are particularly welcome from current engineering technicians who want to work in an environment with world-class facilities, but more importantly from those who want to develop their career in a learner-facing, 'hands-on' environment.

JOB PURPOSE

To provide general and practical support to staff and students within the Engineering department, including preparation and maintenance of resources and equipment, instructing, leading and supporting practical delivery of lessons within the engineering workshop in accordance with strict health and safety guidance procedures as well as KCSIE Regulations. Please refer to the full job description for more information.

The key academic sponsor of the Academy is the University of Warwick. The Solihull Academy is located adjacent to Chelmsley Wood Shopping Centre in North Solihull and boasts over £2 million of specialist equipment and ICT. Our relationship with a broad range of local, national and international business partners will allow the successful candidate to link his/her experiences to an applied, employment-led educational environment.
