

WMG Academy Vacancy Advertisement

Hiring: Teacher of Maths | Location: Coventry

About Us

Very excitingly, from September 2026, WMG Academy Trust will welcome its first cohort of Year 9 students. This marks a significant milestone in our journey and enables us to further shape and strengthen our UTC curriculum, reinforcing our business-like, business-led ethos from an even earlier stage.

WMG Academy is a thriving and welcoming establishment for aspiring young Engineers. With a strong emphasis on science, technology, engineering, and mathematics (STEM), we offer a distinctive curriculum that includes GCSEs (including core subjects), A Levels, vocational and technical qualifications, or a combined approach.

Due to this expansion, a number of exciting opportunities have arisen across the Trust, including this role. This is a unique time to join WMG Academy and play a part in shaping the future of Engineering, STEM, and Digital education.

Our career-focused approach to education is designed to engage students, helping them identify their strengths, reach their full potential, and confidently take their first steps into the world of work. From our business dress, structured working day, as well as meaningful opportunities to collaborate with industry partners on real-life projects, our students experience an environment that mirrors the expectations of modern engineering and technology workplaces. As a result, parents see confidence grow, and employment prospects soar.

We're Looking For A Very Special Maths Teacher

To support our growth, we are seeking an outstanding Teacher of Maths who is ready to inspire and enthuse our expanding cohort of innovators. As a key member of our team, you will deliver high-quality, engaging lessons across Years 9 to 13, ensuring students achieve excellent outcomes in their GCSE, A-Level, and vocational studies. You will be a passionate classroom practitioner, committed to raising attainment and providing a learning experience that bridges the gap between academic theory and real-world application.

Joining us means working in a supportive environment that truly values its staff. You will benefit from generous PPA time, ongoing accredited professional development, and a comprehensive wellbeing package including Flexi Perks and dedicated mental health support. If you have excellent subject knowledge and the drive to help students thrive in a professional, industry-linked setting, this is the perfect opportunity to develop your career and empower the world-class learners of the future.

You Will Have:

1. 5 A*- C (or 9-4) grades at GCSE including English and Maths
2. Evidence of continuous professional development.
3. Experience of / working knowledge of the National Curriculum and current developments in Maths, specifically relating theory to real-world engineering contexts
4. The ability to maintain positive relationships with pupils, parents, and staff.
5. The ability to demonstrate visionary and dynamic leadership in the classroom to inspire students to become world-class learners.

What We Offer Staff

- **Development:** Ongoing accredited training and sponsorship for extended skills qualifications.
- **Work-Life Balance:** Generous PPA time and flexible/hybrid working where possible.
- **Wellbeing:** Comprehensive program including physiotherapy, counseling, and VivUp scheme perks.
- **Rewards:** £250 Staff Recruitment Referral scheme and a competitive pension.

Please review the job description and person specification for further information about the role.

Key Dates

Closing Date & Time: **05/06/2026**

Interview Date(s): **28/04/2026**

Proposed Start Date: **01/09/2026**

Application Process

To apply for this vacancy, please complete the Application Form fully and return it to **coventryrecruitment@wmgacademy.org.uk**

You should ensure your application form and supporting statement address all elements of the person specification. We will only consider candidates who meet the vast majority of the essential criteria outlined in the person specification.

Our Commitment

WMG Academy is committed to safeguarding, safer recruitment, and promoting the welfare of pupils. Our comprehensive recruitment and selection processes aim to discourage and screen out unsuitable applicants. Successful candidates are subject to rigorous pre-employment checks. You will be required to provide evidence of identity, right to work in the UK, complete an enhanced DBS clearance, and provide proof of professional qualifications. Online searches will be carried out as part of the recruitment process. This position is exempt from the Rehabilitation of Offenders Act

We are equally committed to eliminating discrimination and encouraging diversity. We aim for our workforce to be representative of society and for each employee to feel respected. We oppose all forms of unlawful and unfair discrimination.
