Hiring: Careers Advice and Business Manager Location: Solihull

About Us

Very excitingly, from September 2026, WMG Academy Trust will welcome its first cohort of Year 9 students. This marks a significant milestone in our journey and enables us to further shape and strengthen our UTC curriculum, reinforcing our business-like, business-led ethos from an even earlier stage.

WMG Academy is a thriving and welcoming establishment for aspiring young Engineers. With a strong emphasis on science, technology, engineering and mathematics (STEM), we offer a distinctive curriculum that includes GCSEs (including core subjects), A Levels, vocational and technical qualifications, or a combined approach.

Due to this expansion, a number of exciting opportunities have arisen across the Trust. This is a unique time to join WMG Academy and play a part in shaping the future of Engineering, STEM and Digital education.

Our career-focused approach to education is designed to engage students, helping them identify their strengths, reach their full potential, and confidently take their first steps into the world of work. From our business dress, structured working day as well as meaningful opportunities to collaborate with industry partners on real-life projects, our students experience an environment that mirrors the expectations of modern engineering and technology workplaces. As a result, parents see confidence grow and employment prospects soar.
